RE: BALANCE

Every healthy immune and digestive system needs a sufficient amount of 'friendly' bacteria. These beneficial bacteria may be destroyed by common factors, such as carbonated drinks, laxatives, birth control pills, coffee, alcohol, aging, stress, and antibiotics. Now you can strengthen your body's defenses and support your overall health with Re:Balance, which has not one, but twelve strains of these healthy bacteria, combined with natural sources of prebiotic FOS (fructooligosaccharides) to further support and maintain the growth of probiotic flora. These twelve strains are selected and manufactured according to the proprietary processes that ensure these organisms are able to survive the digestive processes and colonize in the digestive tract for optimum benefit. At the heart of Re:Balance is an exclusive nutrient delivery system, CAeDS®, which guarantees maximum effectiveness. Don't trust your health to chance. Nourish your body with the friendly bacteria it needs in Re:Balance.

INGREDIENT INFORMATION:

12 Strains of Healthy Bacteria Maintain a Healthy Digestive Tract and Support Immune Function

If another supplement were to combine these twelve powerful species, Re:Balance would still be a step ahead. Fructooligosaccharides (FOS), which act as food for the healthy bacteria, have been added to help the bacteria grow and flourish more rapidly in the body.

- Contains twelve strains of 'friendly' bacteria that work synergistically to support healthy digestion and immunity
- Provides over 4.5 billion units of flora per serving

- Supplies natural whole food sources of FOS (fructooligosaccharides) as food for the beneficial bacteria
- Includes patented Magnesium Glycyl Glutamine (MGG), the a stabilized form of glutamine, which supports the stability and colonization characteristics of beneficial bacteria and is an essential nutrient required by the intestinal cells
- Includes a custom formulated Chelate Activated Enzyme Delivery System (CAeDS®) for guaranteed maximum effectiveness
- Natural, highest quality ingredients, and 100% vegetarian
