RE:LEASE

For anyone who wants to lose body fat, avoid cravings and feel more energetic Re:Lease can provide the support your body needs. This proprietary formula is an enzyme-rich fat metabolizer that supports your body's ability to break down consumed fats and burn fat stores by converting them into energy. Re:Lease combines CAeDS® with a patented chelate chromium and lipase - a known fat-burning enzyme. If you want to slim down and feel more energetic by naturally utilizing your body's own fat sources, Re:Lease is a great supplement choice for you.

INGREDIENT INFORMATION:

Re:Lease helps address the problems caused by dietary fats and refined sugars.

- Includes lipase to help the body break down and use fat for energy
- Proprietary blend of plant-based nutrients to support metabolism and thyroid function
- Patented chromium source is the same as the active form of chromium in the body, making it optimally beneficial
- Includes a custom-formulated Chelate Activated Enzyme Delivery System (CAeDS®) ensuring the nutrients in this supplement are delivered to the cells of the body for maximum effectiveness
- All natural, highest quality ingredients, and 100% vegetarian
- Contains no lactose, gluten, MSG, salt, sugar, artificial colors, flavors, sweeteners, or chemical preservatives, additives or fillers

TAKE RE:LEASE IF:

- You have excess belly or upper thigh and gluteal fat
- You want to reduce body fat and build lean muscle for a more active metabolism
