PRODUCT FEATURES

FreshAir Box contains advanced technology to make breathing easier, cleaner and healthier. This convenient, portable unit provides the cleanest, freshest air possible within small, low ventilated areas.

- Uses super oxide ions and hydro peroxides created by ActivePure Technology to remove contaminants.
- Negatively charged ions remove microscopic particles from the air to clean the air you breathe.
- Features a high intensity UVC light that makes use of the same oxidation and ionizing properties of light as naturally occurring sunlight.

- 2-hour Away Mode increases the maximum output of activated oxygen for incredible effectiveness in unoccupied areas.
- Improves the quality of air in an environment up to 1,500 sq. feet.
